The HLAA is proud to announce the Fiber Extravaganza, a fiber and camelid health event! Suitable for all experience levels, this event covers a wide array of topics in the industry. Ranging from fiber arts classes to veterinary seminars taught by one of the top camelid veterinarians in the U.S.A., we strive to provide classes that will interest everyone! In addition to these classes, there will be both shorn and walking fleece competitions, a fiber animal sale area, vendors and much more!

To make this event successful, however, we need help. By becoming a sponsor, you can do just that! Your sponsorship helps cover various costs of running such a large event, such as fairground rental and judges' fees.

There are many levels we offer for you consider.
